Introduction

The Hale County Appraisal District is a political subdivision of the state. The Constitution of the State of Texas, the Texas Property Tax Code, and the Rules of the Texas Comptroller's Property Tax Assistance Division govern the operations of the appraisal district.

Decisions made by the ARB regarding value are binding to the chief appraiser for the tax years protested.

For school tax purposes, the over 65 and over 65 surviving spRouse along with the disability and disability surviving spouse exemptions create a tax ceiling prohibiting increased taxes on the homestead on existing buildings. (Any new areas added to the homesite will cause the ceiling to be readjusted and set in the subsequent tax year.) The City of Abernathy and Hale County are the only other taxing entities that offer a ceiling.

All homeowners who qualify for the residential homestead exemption are subject to the placement of a homestead cap on their qualifying property which prohibits the increase of taxable value on the homestead property to ten percent per year. However, the market value may still be reflective of the local real estate market.

The residential homestead exemption allowable to disabled veterans with a 100% service-connected disability (DVHS) allows the homestead property of the disabled veteran to be totally exempt. This exemption is also available to the surviving spouse of the 100% disabled veteran (DVHSS). Disabled veterans are also allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veterans Affairs. Current exemption amounts, based upon these ratings are:

Disability Percentage	Exemption Amount
10-29%	\$5,000
30-49%	\$7,500
50-69%	\$10,000
70-100%	\$12,000
